

Self-Defence Workshop

Date & Time: 2025-08-03T08:00

Location: Morya Udyan, Tingre Nagar

Type Of Event

Social Department

Objective

Imperium Trust successfully conducted a Self Defence Workshop throughout the month of August 2025, held every Sunday at Morya Udyan, Tingre Nagar. The objective of the workshop was to empower young individuals by teaching them basic self• defence techniques along with traditional martial skills like Lathi Kathi, Sword (Dandpatta), and Bhala.
To introduce young people to basic self defence techniques for personal safety.
To preserve and promote traditional martial art skills like Lathi Kathi, Sword (Dandpatta), and Bhala.
To create awareness among youth about the importance of self• defence in today's world.

Target Audience

Young people from the local community who were interested in learning selfdefence and traditional martial skills.

Budget

Total Budget: ₹1080
Goodies Distribution: ₹450
Refreshments: ₹630

Organised By

Imperium Trust

Outcomes And Impact

25 young participants gained hands on knowledge of self defence and traditional martial arts.
Participants expressed increased confidence in handling difficult situations.
The event successfully revived interest in traditional defence practices among local youth.
Positive word of mouth promotion of Imperium Trust within the community.

Social Impact: Empowered young individuals with practical safety skills.

Cultural Impact: Helped in preserving traditional Indian martial arts and passing them to the younger generation.

Community Engagement: Strengthened community ties through participation and collaboration.

Long Term Benefit: Inspired interest for future workshops and regular training sessions.

Partners And Sponsors

Support: RSS (provided lathis for practice)

Sponsors: None (self funded event)

Challenges And Learning

Difficulty in convincing young people to participate.

Initial hesitation from youth regarding the importance of such traditional martial skills.

Limited resources due to lack of sponsorship.

Annexure

Total Participants: ~25 young people

Duration: 5 sessions (one every Sunday in August)

Conclusion

The Self Defence Workshop conducted by Imperium Trust in August 2025 was a successful initiative to promote safety, discipline, and traditional martial skills among youth. Despite challenges in mobilizing participants and limited financial resources, the event achieved its goal of training and engaging young individuals. The positive response indicates a strong need for such community driven programs, and future workshops can further build upon this foundation with wider outreach and possible sponsorship support.
